Here is a list of trophy holders Andy, Nathan, Aaron, Riley, Tim, James, Rob, Steve, Helene, Graeme, John, Sean, Barry and Andy.

### **AGM Report.**

The meeting agreed to move the club forward from a position of relative inertia to a hopefully more dynamic life in future. A new committee was elected including a Development Officer, Suzanne, an Events Secretary, Jeff, and a new Secretary, Chris. Rob is still Chairman, John, Treasurer and Dick, President. Steve will be Time Trial representative.

The club will continue to promote our successful time trial series where entry fees will increase in line with CTT levies to £4 for 1st claim members and £6 for 2nd claim and visitors.

The children's Skills Group will be promoted again and other rides will be organised for them.

We will participate in the circuit racing at MK Bowl and look to develop new projects but the LVRC Foxley road race will not be run this season. Possibly it may happen again in 2020.

The club will revert to committee management and continue with club nights. Members wishing to communicate with the secretary may use the email [nbrc.secretary1@gmail.com](mailto:nbrc.secretary1@gmail.com)

The President has recently spoken to Mike Wilson, past Chairman, and learnt that he had moved to Norfolk on retiring. He is currently recovering from hip surgery and hopes to race with the LVRC at the Bowl later in the year.

The President was also surprised to receive an award from Sport MK for Services to Sport and has resolved to donate the prize cheque to the club.

### **Committee Notifications**

We aim to present a Club Plan to the members at the next club meeting clarifying our expectations for members new and existing.

### **Contact the Secretary**

Chris has requested that all the business of the club via the Secretary is conducted through the new email address which is:- [nbrc.secretary1@gmail.com](mailto:nbrc.secretary1@gmail.com) Please make a note of this for future club matters communications.

The Website and Facebook channels will of course continue.

### **News from the saddle**

Milton Keynes Road Club recently came into existence and is a small group of like minded riders keen to carve out their own path in local cycling. We wish them well for the future and look forward to seeing their distinctive red vests at the front at the Bowl.

We are worried about Mellow Velo and don't really want them charging about unsupervised so Chris has been out with them from time to time. We hope they will all stay NBRC as we love them dearly.

### **Blast from the Past**

*Checking the boarding passes*

In June 2005 NBRC went to Dieppe to ride a Sportive. This is the sort of project we should try to repeat in the future.

*Relaxing post ride*

Tony F, Russell, Tony Brunton, Steve Cousins, Alan Lawson, Dave Primett, Dave Atkinson, myself and a couple of others whose names escape me, had an enjoyable weekend en France. That kit with the red swan wasn't to everyone's taste!
