

The Presidents Occasional Newsletter

Hi,

The “John Smith Memorial TT Series 2021” has been very successful, providing regular rides for club members and our friends throughout the season.

Dick’s Fantasy Team results have continued from the last report in June/July.

At the Astwood event 28.7.21 Rob Fletcher beat Leigh Smith by 8 seconds, with Andy Rose ensuring an Equipe Velo team win.

On the 4th August at Stony Stratford Tim Cox HHCC won with Team MK’s James, Adrian and Luke all posting around 27 minutes for best team.

Team MK won again at Stoke Hammond last week, James and Arian again but this time with Chris as third counter, combining to beat a mob turnout from the Bossard Whs. Andy Sharman was fastest with 22.22.
